INFORMATION PACKET

HEY Family

FALLTACULAR 2022 is FINALLY here! The Falltacular Team and I are so EXCITED to host the LARGEST FALLTACULAR Retreat in history. We have over 20 exciting events planned throughout the weekend. We also added a few NEW events that I think you guys we LOVE. What started out as a small birthday gathering for me over 18 years ago has grown into one of the most anticipated events of the season! Each year people from all over the U.S. and even other parts of the world make their way to the Great Smoky Mountains for an experience like none other! We've been working since last year to create a weekend filled with opportunities to enjoy all that the area has to offer.

You'll be able to go shopping, horseback riding, zip-lining, ATV riding, enjoy workshops, live entertainment, nightly parties, Smoky Mountain National park or simply relax and enjoy quiet time in your cabin! It is my heart's desire that you to have an experience that you won't soon forget! This whole weekend was planned with YOU in mind! Now that you're here, get comfortable, meet some new people and have a great time!

MUCH LOVE,
Shawn Joyner

ABSOLUTELY NO SMOKING IN THE CABINS

Place NO trash on the porch at night and if you need someone to come by your unit to pick up your trash, wait until the morning to call the office and then sit it on the front porch and someone will be by to pick it up.

All beds will have fresh sheets/pillowcases on them and fresh towels in the bathrooms ~ if you need clean ones during your stay, you simply need to bag your dirty ones up in a garbage bag and bring them to the front desk to swap out for fresh linens and/or towels.
